

'Rules for Our Pools'

Updated 27th August 2010

WINCHESTER CITY PENGUINS
SWIMMING CLUB
(Affiliated to South East Swimming, Hampshire County ASA & MPAGB)

IMPORTANT MESSAGE FOR ALL MEMBERS/PARENTS ETC.

Clarification on entry to changing rooms/access to poolside:

Access To Pools: Would all swimmers and parents please adhere to the following:

Winchester College: Admission to changing rooms at Winchester College will not be allowed earlier than 10 minutes prior to the start of the session (Tue & Thu 5.50pm) access to pool side will be allowed at 6.00pm. It should be noted that Adults are not allowed in the changing rooms if they are being used by College Students or Students from other schools.

Admission to Winchester College changing rooms on a Friday will not be allowed prior to 5.25pm. Access to poolside will be allowed at 5.30pm, providing the College Students have finished training and a WCPSC coach is in attendance. The session will finish at 7.25, ALL swimmers must be clear of the Pool Side by 7.27pm.

It should be noted that during the Summer Term the College Swim Team will be using the pool on a Friday afternoon. Club members will not be allowed access to the changing rooms until 5.25pm. Swimmers and Parents will not be allowed access to the poolside or spectators balcony until 5.30pm providing Win Coll students have finished training and a WCPSC coach is in attendance. There will be no exceptions to the above.

ATR: Entry on **Mon & Wed** will not be allowed prior to 6.00pm, with the session starting at 6.30pm. It is suggested that swimmers/parents arrive at the ATR between 6.00 – 6.15pm. Swimmers should be poolside at 6.25 so the session can start at 6.30pm. Swimmers will be **strongly discouraged from arriving later than 6.35pm. For entry on Friday entry timings as above but 1 hour earlier.**

Under NO circumstances whatsoever should swimmers be left unattended either inside or outside of ATR. A Coach or parent must be deemed as supervising all under 18 year olds. All parents/swimmers MUST obey all instructions given by members of the staff of ATR. They must also obey all driving and parking restrictions.

Will all parents work together in limiting cars that enter to **DROP OFF ONLY** by sharing space to ferry swimmers from gate to the pool. Not only environmentally friendly but also much less work for Gate Staff.

Kings School: Entry not prior to 10 minutes prior to the start of the session. Swimmers are allowed poolside 5 minutes prior to the start of session, providing the coach is in attendance.

River Park: All swimmers attending RP for early morning training on Tue & Thu am MUST enter the building at 6.00am. The staff will open the door at this time and immediately close once swimmers have entered, this will be not later than 6.05am. They will not re-open the doors until 6.30am for admission of the general public. This restriction was placed upon us with our agreement thus allowing a longer training session for these two mornings.

Failure to abide by the requests of any of our pool providers and failure to respect other users could jeopardize the use of our facilities. Swimmers/Parents Please do not put our pool time in danger.

Swimmers are also warned not to leave any items of value unattended in the changing rooms of any pool.

Stewart for
(Kevin Terry Head Coach)
