What is ASA Registration and who needs to be registered with the ASA?

Hopefully the information below will answer any questions that you may have about ASA Registration. If, however, you require any further information or clarification please do not hesitate to contact me either by telephone (01329 280664) or by email to: chalknslate@aol.com

All members of ASA affiliated clubs are required to be members (registered) of the ASA. There are three levels of membership/registration:

Category 1:

All swimmers of clubs that do not compete in competitions other than low level competition (Novice/fun galas, In-House competition and similar).

Category 2:

All club swimmers that compete in Galas, Open Meets, and Championship Events.

Category 3:

All Officials, Committee Members, Team Managers, Coaches, Teachers, Helpers and Parents/Guardians that wish to vote at the Annual General Meeting and other such meetings or participate in land training.

Current Registration Fees are:

Category 1 £11.40

Category 2 £29.20

Category 3 £4.20

It should be noted that the club will pay the Category 3 Registration fee for all **ACTIVE & UNPAID** Officials, Team Managers & Committee Members. For those members that are Category 1 or 2 registered please adjust your payment as necessary.

The level of fee is set annually by the ASA (and includes a levy payable to the District and County swimming associations) and all clubs must make this payment, failure to do so will result in the club and it's members being suspended from the ASA.

It is the responsibility of the parent/guardian or swimmer to ensure that the correct level of registration has been applied for. It should be noted that those swimmers who compete in 'Masters' events only need only to be registered as Category 1. 'Masters' swimmers competing in League galas and/or inter-club competitions at District Level or above will require a Category 2 registration.

Additionally all Water Polo players require a Category 2 registration.
